★ \$1200 Tuition Credit

Refer two or more new families that are accepted into Sacred Heart

*Each referred family must attend and pay tuition for six months of school before the referral bonus will be credited to the referring families FACTS account.

To receive tuition credit, each referred family must complete the Referral Program Report and submit to the Enrollment Office prior to the beginning their time at Sacred Heart. The Referral Program is for families who have had students attend the prior academic year only and still have currently enrolled students.
